

Pre-conference Workshops: 21 September

Stream 1

Morning Session 07:30-12:30	Afternoon session 13:00-17:00
Pre-hospital ECG Workshop Presented by: Drs Sa'ad Lahri, Kamil Vallabh & Jacques Malan	Difficult and Failed Airway Workshop Presented by: Dr John Roos

Stream 2

Morning Session: 08:30-12:30	Afternoon Session 13:00-17:00
Medical Simulation Mr Rod Campbell	Critical Care Transportation Presented by: Mr Louis Jordaan

THURSDAY 22 SEPTEMBER						
Session	Chair	Slot	Start	VENUE	Topic	Speaker
1		1	08H30	AUD	THE EFFECT OF THREE BASIC AIRWAY MANOEUVRES ON LARYNGOSCOPIC VIEW, TIME TO INTUBATE AND INTUBATION S	Chris Stein (UJ)
				1	RPL in EMS Education - Lessons Learned in the Western Cape	Radomir Cermak (PGWC)
		2	08H50	AUD	Effect of iron mining on the risk of Diabetes Mellitus (Type II)	Daglin Thomas (CPUT)
				1	An Investigation into the type-A trait tendencies of South African trained Advanced Life Support paramedics	Heidi Koch(DUT)
		3	09H10	AUD	Prehospital emergency care provider opinions and experiences of emergency centre handover	Andrew Makkink (UJ)
				1	The 'Jaws of Life': issues that impact on the efficacy of extrication.	Prof Simeon Davies (CPUT)
		4	09H30	AUD	EMS response to rape cases?	Raina Gihwalla
				1	An assessment of theoretical knowledge and psychomotor skills of BLS CPR by EMS in a province in South Africa	JP Veronese (PGWC)
		5	09H50	AUD	Pre-hospital Stroke Notification and Management	Dr Naeem Brey (Tygerberg Hospital)
				1	Majoring in the minors: Anatomy and physiology integration in emergency care	Dr Kareemah Gamiel dien (CPUT)

TEA 10:10-10:40						
2.		PLENARY	10:40	AUDITORIUM	WELCOMING	Dr Chris Stein (ECSSA)
			11:00		MEC Opening Address	Prof Noma french Mbombo
			11:20		KEYNOTE: Transitioning from emergency service to health service	Prof Bill Lord USC
			11:50		Professional Board for Emergency Care Providers: Future directions	Arnold Molatana PBEC
12h10 LUNCH						
3		1	13H00	AUD	Operational demands on pre-hospital emergency care for burn injuries in a middle-income country.	Rachel Allgaier (UCT/Karolinska Institute)
				1	EMS AND THE LAW: UPDATE ON LEGISLATIVE DEVELOPMENTS	Stephen Harrison (CPUT)
		2	13H20	AUD	PRE-HOSPITAL CARE TIME INTERVALS AMONG VICTIMS OF ROAD TRAFFIC INJURIES RESCUED BY THE UGANDA POLICE	Esther Bayiga (Makerere University)
				1	MEDICAL MALPRACTICE: AN UPDATE ON RECENT CASES	Michael Jennings (Jennings Attorneys)
		3	13H40	AUD	THE FIRST NEONATAL RETRIEVAL NASAL CPAP PROGRAM IN THE WESTERN CAPE, SOUTH AFRICA: LESSONS LEARNED	Louis Jordaan (ER24)
				1	What is critical realism?	Simpiwe Sobuwa

FRIDAY 23 SEPTEMBER						
Session	Chair	Slot	Start	Venue	Topic	Speaker
1		1	08H30	AUD	EMS in Africa	Dr Melanie Stander
		2	08H50		Future Directions for EMS	Raveen Naidoo National Dept Health
		3	09H10		Challenges of the modern EMS	Dr Shaheem De Vries
		4	09H30		Emergency Medical Services in Africa: Do we need them?	Dr Julian Flemming
		5	09H50			
TEA						
2		1	10H40	Aud	EMERGENCY CARE PRACTITIONER STUDENT RAPID SEQUENCE INTUBATION IN JOHANNESBURG	Dr Chris Stein(UJ)
				1	The most important skill you'll need to be successful in research (don't worry, it can be taught)	Dr Stevan Bruijns

		2	11H00	Aud	nCPAP transportation - The pre-hospital starter kit	Louis Jordaan (ER24)
				1	Experiences and Opinions of Emergency Care Educators Related to Simulation Manikin Fidelity	Geoffrey Petro (UJ)
		3	11H20	Aud	ICU care outside: Low cost critical care concepts for the prehospital environment	Jocelyn Park-Ross (AMS)
				1	Interdisciplinary high fidelity simulation: Case reflection	Candice De Waal (CPUT)
		4	11H40	Aud	Lessons we should learn from the aviation industry	Dr John Roos
				1	Clinical Practicum Experience of Paramedic Students and Preparedness for Professional Practice	Kuben Moodley (PGWC)
		5	12H00	Aud	Lessons we should learn from the aviation industry (Continued)	Dr John Roos
				1	(The Fossil Talk)	Ian Bell City of Cape Town FD)
LUNCH						
3		1	13H00	Aud	INTERPRETATION AND KNOWLEDGE OF 12 LEAD ECGs AND THROMBOLYTIC THERAPY OF PARAMEDICS IN GAUTENG AND NORTH WEST PROVINCES IN SOUTH AFRICA	Nico Louw (NMMU)
				1	The capabilities and scope of practice requirements of advanced life support undertaking critical care transfers: A Delphi study	Willem Stassen(ER24)
		2	13H20	Aud	Competency in ECG interpretation among prehospital ALS practitioners	Andrew Lynch (CPUT)

				1	Keeping our heads above water: a systematic review of drowning surveillance in South Africa	Dr Colleen Saunders (CPUT)
